

## BELIEVE THE WORD

John 4:46-54

Intro – Believing the word of God is essential to salvation. If you don't believe the bible, you can't be saved. John 1:1 Jesus is the Word, to believe the bible is to believe Jesus. This is why Satan continually attacks the Word of God.

“If your salvation is based on feelings, dreams, visions, voices, or any other fleshly evidence, then you are on dangerous ground. It is faith in the Word alone that gives us the assurance of eternal life.” Wiersbe
